BUILDING COMMUNITY, STRENGTHENING FAMILIES

Together, we are building community

MISSION: Coraopolis Youth Creations is dedicated to building community and strengthening families through youth enrichment. VISION: To become the lead community resource in the Coraopolis area for youth, family and community development.

## Partnerships

Our students have the opportunity to participate in various programs, events and family activities because of our generous partners who include, Mission: Love Always, When She Thrives, Sweetwater Center for the Arts, Tull Family Theatre, Sewickley YMCA and the Cornell School District..

## Field Trips

Thanks to our charitable supporters, over 100 students were able to attend various field trips over the past 2 years which included Carnegie Science Center, Girl up STEM for Social Good, Pittsburgh Zoo and Aquarium, Kennywood Park, Prototype PGH, Pittsburgh Pirates and many more.

## Community Events

At our Annual Back 2 School Bash we help students and families prepare for the upcoming school year by providing free backpacks and school supplies. This year, we gave away over 350 backpacks to students in the Coraopolis community and surrounding areas.

## About Us

The Community Youth Center is a safe gathering space for the under-served community of Coraopolis which houses youth programs, classes, family activities and events. The Center launched in November 2016, and over the past 2 years we have been working diligently to provide a variety of educational, social and recreational activities tailored to community needs.

"CYC is such a wonderful organization, they go above and beyond for the children in the community. They are so helpful and willing to work with our organization in anything that we do for the children. We have developed such a wonderful relationship with CYC and look forward to strengthening our relationship for the future of our community." ~Michelle Jackson, Coraopolis Youth Athletic Association
